STUDENT TO STUDENT

Hello, my name is Sammi Sanchez and I am currently serving as the CSI Student Body President. I am from Nampa, Idaho and am majoring in Political Science and Criminal Justice.

I chose to come to CSI because of its unique environment. Although this is a community college, it feels more like a university campus. I love how bustling and active CSI feels. We also have the same resources and opportunities available as the larger schools I toured, but at a fraction of the cost. Our on-campus housing and athletics play a huge role in promoting an active campus. CSI has a great combination of affordable and quality education opportunities!

To learn more about CSI, follow our social media channels or schedule a campus tour today!

BECAUSE OUR PROGRAMS

ARE IN HIGH DEMAND

LIBERAL ARTS

Create a degree plan that reflects your own individual interests, then go on to join the workforce or transfer to a four-year institution.

CAREERS:

- This degree provides foundational knowledge beneficial to many career paths

BUSINESS MANAGEMENT/ENTREPRENEUR

Got a great business idea? Do you have a knack for leading others? Turn your dream into reality as you learn to own and operate your own business or pursue a career in management.

CAREERS:

- General or Operations Manager
- Business Owner

GENERAL BUSINESS

This degree is specially designed to prepare you to pursue a four-year business degree, giving you the head start you need to excel in the business world.

CAREERS:

- Manager (General, Operations, or Sales)
- Management Analyst
- Accountant

PRACTICAL NURSING

Become a Licensed Practical Nurse (LPN) to put your skills to use in long-term care facilities, hospitals, doctor's offices, and home health practices.

CAREERS:

- Licensed Practical Nurse (LPN)

HEALTH CARE PROGRAMS

Calling all heroes! With a wide variety of health care fields to choose from, our health care programs offer the skills you need to excel in your chosen field.

CAREERS:

- Doctor
- Nurse
- Surgeon
- Physical Therapist
- Dental Hygienist
- EMT/Paramedic
- Radiologic Technologist
- And more!

DIGITAL MEDIA

Put your creative mind to work as you design engaging content for print, web, multimedia, and video. Hands-on projects give you real-world experience for this in-demand career.

CAREERS:

- Graphic Designer
- Multimedia Artist
- Animator
- Videographer

CRIMINAL JUSTICE

This exciting and rapidly growing field needs people like you to help bring justice and safety to your country and community.

CAREERS:

- Law enforcement
- Correction officer
- Security officer

ACCOUNTING/BOOKKEEPING

This versatile degree will prepare you to apply your math and organizational skills to a variety of business settings.

CAREERS:

- Bookkeeper
- Tax Preparer
- Clerk (Bookkeeping, Accounting, Auditing, Payroll, Timekeeping, Brokerage)
- Statistical Assistant

EDUCATION

Those who can, teach. Learn to educate and inspire the next generation, whether your passion is early childhood, elementary, or secondary education.

CAREERS:

- Preschool teacher
- Elementary school teacher
- Middle or high school teacher

DIESEL TECHNOLOGY

Learn maintenance, inspection, and troubleshooting in this highly hands-on program. Certified instructors prepare you to graduate ready to work!

CAREERS:

- Bus Mechanic
- Truck Mechanic
- Diesel Engine Specialist

BECAUSE YOUR PASSION SHOULD BE YOUR CAREER

CSI's unique programs put you on the path to the career of your dreams.

BECAUSE COLLEGE IS MORE THAN JUST GOING TO CLASS

CONNECT WITH OTHER STUDENTS WHO SHARE YOUR PASSION

ASCSI STUDENT SENATE

The ASCSI Student Senate is a group of students elected by the student body with the mission to fully represent CSI. As senators, we work together to advocate for the student body on the issues they care about, and to create a positive learning environment through educational, cultural, social, and recreational opportunities.

AMBASSADOR COUNCIL

The Ambassador Council is established to enhance the college's image by promoting student services and partaking in activities that are related to the betterment of the college. Ambassadors serve as a liaison between new students and their instructors, and are helpful to perspective students in selecting a college.

PROGRAM BOARD

Program Board strives for its members to develop as leaders, which is done by providing them leadership development opportunities. Program Board coordinates activities at the College of Southern Idaho's Main Campus with the purpose of creating a positive atmosphere and building social relationships outside of the classroom.

SUSTAINABILITY COUNCIL

The College of Southern Idaho's Sustainability Council is working to make sustainable practices a priority and cultural norm in our community. We are faculty, staff, administrators, and students who have come together to promote sustainable practices on campus and community-wide.

OFF-CAMPUS CENTERS

CSI provides access to higher education throughout South Central Idaho by offering classes and student services at off-campus centers in Burley, Gooding, Jerome and Hailey. The off-campus centers provide convenient locations for students in rural areas to work toward a degree, prepare to transfer to a four-year institution, or take classes to gain skills for a career change. In addition, each center also offers a wide range of community education, non-credit classes to promote learning and creative exploration for people of all ages. At the CSI off-campus centers, students can truly stay near and go far!
